

Fact Sheet

Nocturnal Tour

Who doesn't love wearing a red head lamp to spotlight rare and endangered animals?

Example of Tour

Step inside Mulga Walk, a large predator-proof enclosure at the base of the MacDonnell Ranges for an evening of adventure and discovery.

Join an expert guide in small groups to spotlight endangered animals no longer found in the wild.

Plus enjoy coffee and cake with our expert team to see how the Desert Park is making a change in conservation and helping endangered species.

What will you see?

Our Guides

Each tour is guided by an expert guide and zookeeper. To ensure optimum viewing and an intimate experience, tours operate with one staff member per 15 people.

Highlights

- Rare and endangered animals found in Central Australian deserts such as bilby and mala
- Individual head lamps provided for the tour
- Predator-proof enclosure for breeding programs
- Coffee and cake with the experts to learn about the animals (only available on the Nocturnal Tour)
- Small group touring
- Fully guided experience
- Suited to late arrivals into Alice Springs and early departure with limited time
- Exclusive area separate to the day experience
- Suitable to combine with afternoon Desert Park experience
